# DIG IN

**AND SUPPORT A LOCAL FARMER**

It's not Grandma's homemade  
but pretty darn close.  
**Grab a spoon and dig in.**

Dear General Manager,

Your store doesn't carry the ice cream my family prefers to eat. Can you help? We love Clemson's Best™ Gourmet Ice Cream and we think others will, too. It carries the Certified S.C. seal and is made with ingredients grown by local farmers. Ten percent of the proceeds goes back to Clemson University's students enrolled in the College of Agriculture, Forestry and Life Sciences for scholarships, internships, research, hands on activities and more.

Thanks,
